USRL GRADUATE PLANTS REFORMED CHURCH IN PERÚ

Missionary Pastor Jonathan Siancas graduated from USRL at the first promotion of 2013. He returned to his native Perú with a tremendous motivation to labor for church reformation in his country. Even the outside of the church building proclaims the SOLAS of the reformation.

He wrote: *“I am rejoicing in the Lord because, by His grace, I am planting a new reformed church in Sullana. I am putting into practice everything I learned at USRL in Medellin. It is a joy to be sure that I am properly working in the Lord’s vineyard. I thank God for the excellent theological education that USRL gave me. With that education, and through the power of the Holy Spirit, I am preaching the gospel of grace with confidence. I learned how to stand firm with the gospel—to carry the true biblical doctrines under the legacy of the XVI Century Reformers and the faithful USRL reformed professors. As a missionary pastor, please pray that, through this ministry, many will come to the feet of Christ.”*

PASTORS IN PERU ARE REQUESTING A USRL BRANCH IN THAT COUNTRY

After a great deal of interaction with USRL and its Peruvian graduates, Peruvian pastors are requesting the opening of an USRL branch in Perú. They already have a building available. This will help thousands of pastors who do not have higher education.

The Peruvian government is considering a law mandating that all pastors in Perú hold degrees from authorized seminaries in order to keep their church license. There are currently several Christian congressmen from the Peruvian government who could help USRL attain Peruvian government accreditation. Please pray that USRL will be granted this authorization.
