

GOSPEL THROUGH COLOMBIA

Equipping Church Leaders Through Colombia to Bring Reformation to Latin America

May 1, 2016

THE 6th GTC LATIN AMERICAN CONVENTION WAS A DEMONSTRATION OF THE POWERFUL REFORMED MOVEMENT IN LATIN AMERICA

From 16 countries, over 800 attended this convention in Medellin, and more than 19,000 visited its link. Thousands followed the convention online, including large groups of churches who gathered in their own buildings. When pastors in attendance, stated that their congregations gathered in church buildings to watch, other pastors contacted their local churches to do the same. A large number of

pastors attended an extra day of workshops at USRL campus after three days of plenary sessions. Many reformation leaders from various denominations and from different countries built and strengthened relationships at this convention and pledged to cooperate with one another.

Hundreds visited the USRL campus in downtown Medellín and were encouraged to have such great buildings which give a sense of anchor to the new Geneva of Latin America.

The convention was so well received that many pastors raised their hands indicating that they will come back and will try to bring at least 10 friends to the 2017 convention in Bogotá. Please pray that, by God's mercy, the 3,000 seats of a convention hall will be filled.
