

## **Equipping Church Leaders Through Colombia to Bring Reformation to Latin America**

June 1, 2016

### **VENEZUELA IS COLLAPSING BUT USRL IS THERE WITH THE GOSPEL**

Venezuela's poverty and lack of food must not prevent USRL from providing education to hundreds of pastors who, in spite of their suffering, travel long distances to participate in the teaching modules. USRL will continue sending professors from Colombia. God willing, with your financial help, we will make plans to bring five or more Venezuelans to Medellin next year. They have NOTHING. The pastors and students are in great need of your assistance. Please consider a gift of \$5,000, the cost of a one year scholarship for each of these students. Can we abandon them for lack of Christian charity?

### **PASTOR GARY CARTER WRITES ABOUT VENEZUELAN REFORMATION**

*Dear Friends at GTC: On my recent teaching trip to Medellin I had the privilege of meeting five seminarians from Venezuela. They enthusiastically thank God for the conference on the doctrines of grace that, a year ago, Dr. Acosta gave to pastors in Caracas on the book of Romans and Isaiah 52 and 53. They could hardly express the power of the Holy Spirit upon the teaching and preaching of our brother Noé. The effect God's word had on them was profound. They were nearly speechless at what God had begun to do in Venezuela. They sense a new day had dawned in their homeland — "After Darkness Light!" The entire group of men was hungry and eager to study the glory of Christ! It was such a privilege to teach again. Thank you for letting me participate in this wonderful endeavor for the Son of God. In His Free Grace, Pastor Gary Carter*

### **2016 GTC ANNUAL BANQUET REPORT**

*Now then, we are ambassadors for Christ, as though God were pleading through us: we implore you on Christ's behalf, be reconciled to God. 2 Cor. 20 (NKJV)*

Dr. Richard Pratt, as he expounded 2 Cor. 5:17-20, made us realize that GTC is a ministry of RECONCILIATION. We must be ardent ambassadors of God and go into the kingdom of darkness as if God were pleading through us: "Latin America, please be reconciled to God." Please see Dr. Pratt's entire speech here or on the GTC web, <https://www.youtube.com/watch?v=UspYZWe8WjM> [https://youtu.be/KJDQ1ri\\_EcU](https://youtu.be/KJDQ1ri_EcU). I want to express our sincerest thanks to all the faithful brothers and sisters, including those who could not attend, who contribute so generously to our ministry. Besides donations of about \$50,000, ministry partners agreed to send additional monthly contributions to support this mission. Please consider being a ministry partner.

My wife, Kristine, and I will be in Colombia this month. I will be teaching at two USRL branches and working with USRL regarding our on-going organizational assessment. My wife will be teaching English to the public using the Gospel of John as an evangelistic strategy. Please pray for us.

Sincerely in Christ,

Michael Delarm, GTC Executive Director
