

GOSPEL THROUGH COLOMBIA

Equipping Church Leaders Through Colombia to Bring Reformation to Latin America

March 2016

TOTAL DEPENDENCY UPON GOD FOR DAILY NEEDS – A MIRACLE!

At the end of January, GTC was short \$5,000.00 in order to meet the budget. Then, on February 5, I was invited to give a testimony at an annual event of the C.S. Lewis Society, where Dr. Albert Mohler was keynote speaker. When Mimi and I arrived, a pastor presented us with a \$5,000.00 check which his small congregation had collected for GTC. We were speechless and unable to stop the tears. We looked up and said, “Lord, thank you. You did it again!” God continues to open big doors on the field; but, regarding basic funds, He has taught us for 18 years to depend upon Him daily. Please consider making a monthly commitment so that GTC may responsibly meet the monthly needs. God is using this very small budget ministry to properly educate hundreds of pastors in Latin America.

Hundreds of pastors will be introduced to the doctrines of grace at this reformed convention. Many pastors whose salaries are less than \$100.00 per month need sponsors. A donation of \$50.00 will help to provide food and a modest shelter for one pastor while attending the convention.

Please pray and help us financially. This is one of the best investments you can make in the kingdom of God. Become a ministry partner in the reformation of an entire continent.
