This conference introduces USRL Seminary that will open in Orlando and Miami in early 2017. Theological education will be provided in English and Spanish through modular classes from Thursday evening to Saturday, once every two months, and with virtual classes online. We hope you will attend this conference and encourage pastors and students as the Doctrines of Grace are bilingually introduced by GTC in the USA.

Thank you for praying for GTC. Your contributions, especially as a monthly partner, help to promote church reformation in the Americas! A student scholarship for an entire year of education, food and board for a pastor in Colombia costs now \$3,500.00 or \$292.00 per month. Local farmers contribute food for the seminary. Will you be able to adopt one student? A monthly partial scholarship of any amount will be a blessing.

Sincerely in Christ,

Noé S. Acosta
