Dear Brethren in Christ,

The number of pastors and students who are receiving theological education in classrooms and by virtual, in all USRL Seminary sites, has increased to over 400.

To the glory of God, our passion for the doctrines of grace and church reformation is so intense, that we want to duplicate the Latin American theological training experience in the United States. The dream is to labor for church reformation by providing sound bilingual theological education to Hispanic pastors. For this reason, in 2017, GTC is opening two USRL seminary branches in Miami and Orlando. Two buildings were provided at no cost to GTC for this purpose. More professors have volunteered to teach.

***USRL SEMINARY ORLANDO CAMPUS (500 N. Bumby Avenue, FL 32803)***

Your helping us to present the doctrines of grace to so many pastors is truly a combination of compassion for people and passion for the glory of God. Please help GTC. Do not let this opportunity pass you by. We cannot do this massive work without your contributions. GTC needs to secure funds before the end of the year so that we can effectively plan the budget for 2017.

We pray that you become a monthly ministry partner with GTC. We are also praying for donors who will help to pay off the seminary building in Medellin. The building is getting full to capacity, but it is very difficult to meet the monthly costs. Any contributions toward that building will be a blessing.

Your kingdom servant,

***Now then, we are ambassadors for Christ, as though God were pleading through us: we implore you in Christ's behalf, be reconciled to God. (2 Cor. 5:20 NKJV)***
