

SEMINARIO REFORMADO LATINOAMERICANO

Equipping Indigenous Servants in Their Own Language to Proclaim the Gospel of Grace

July 11, 2017

DR. STEVEN LAWSON IS SCHEDULED TO TEACH AT SRL IN COLOMBIA

Dr. Steven Lawson will be teaching a weeklong course on Expository Preaching at SRL Seminary in Medellin, in April 2018. SRL expects to have over 400 pastors from all Latin America. Please see Dr. Lawson's short exciting video online regarding his special conference in Medellin. It is Dr. Lawson's expectation that all pastors will have no other desire than to honor God and serve His church by bringing expository preaching to all their churches. Listen to Dr. Lawson, <https://youtu.be/inavTlfwXIA>

SEMINARY STUDENTS AND THEIR LOVE FOR DOCTRINES OF GRACE

Dr. Julio Benitez, SRL President for Latin American locations, informed us that because of shortage of funds to support the seminary in Medellin, 46 students who live on campus, and many others who attend weekly modules, agreed to be good stewards by conserving in the areas of food, electricity, water and cooking gas. Instead of dismissing students for lack of food, they will be limiting the portions and will contact super markets and church families to help. Dr. Benitez is convinced that this suffering has resulted in the encouragement of our students to be content in every situation because of Grace.

Philippians 4:11-12

¹¹ Not that I speak in regard to need, for I have learned in whatever state I am, to be content: ¹² I know how to be abased, and I know how to abound. Everywhere and in all things I have learned both to be full and to be hungry, both to abound and to suffer need.

SEVENTY FIVE ATTEND SRL COURSE IN BOLIVIA

In early June, Dr. Tom Woodward, of Trinity College in Florida, experienced an adventure of a lifetime as he travelled to Cochabamba, Bolivia, to teach this SRL group there. Seventy-five attended the class on the support for Biblical Creation. Dr. Woodward reported: *This class was amazing! Like human sponges, they*

soaked up material from biblical theology and scientific evidence for design of life and the cosmos through the genius of our amazing God! It was a delight to weave Christ's creation, emphasized in Colossians 1 and other passages, with the latest evidence of DNA and fossils. In addition, Dr. Woodward spoke to a youth rally and the entire church in Cochabamba, with an additional 100 attendees from the secular San Simon University. God is using SRL in Bolivia to impact that country with the Gospel of Grace.

MTW MISSIONARY TEACHES AT SRL IN BOGOTA CAMPUS

Ambrose Winfree, MTW Missionary wrote, *I am a missionary here in Bogotá with Missions to the World. I am so happy that I have been able to work with Seminario Reformado Latinoamericano. As you can see from the videos, I taught all of the classes in Spanish. My Spanish is a bit rough, but I am continuing to grow in my abilities. I wish to thank the SRL Seminary and Javier Munoz, SRL representative in Bogota, for the opportunity. I hope that we can do more together.*

Please help SRL. Summer time is a very hard season.

Sincerely in Christ,

Dr. James Bearss, SRL Chancellor
