ABORTION IN COLOMBIA MURDERED MORE THAN 400,300 BABIES LAST YEAR

This past week, Andrea Krazeise, Kim Estrada and Mimi Acosta participated in a Pro-Life conference in Medellin. They specifically addressed women who showed a great deal of interest in establishing a crisis pregnancy center. Andrea, Pastor Bill Heard and Kim provided information to a large team, which included pastors, elders and deacons. They committed to the opening of a center in the SRL building. We thank Daniela Benitez, daughter of Pastor Benitez, for her magnificent job as translator.

HUNDREDS OF PASTORS AND SEMINARIANS ARE CELEBRATING THE 500 YEARS OF THE REFORMATION BY REFORMING LATIN AMERICA

SRL Seminary celebrates 500 years of reformation by providing education and teaching the Doctrines of Grace to hundreds of seminarians and pastors who are transforming the church into reformed

congregations in Latin America. SRL is financially very poor, but it is producing rich results in spite of lack of funds and food to feed students. Last month, in the midst of great need and lack of funds, God sent a truck from a local supermarket with food to the hungry seminarians in Medellin. Please continue to send monthly contributions. This mission has demonstrated to be a real model. Functioning with volunteers, it is creating an army of well-trained native pastors and missionaries who already speak the language and know the culture. Please help. Your investment will last for eternity.

SRL REPRESENTATIVES WILL BE KEYNOTE SPEAKERS AT MANY CHURCHES IN CELEBRATION OF 500 YEARS OF REFORMATION

Reformed congregations in North America applaud and admire the phenomenal work that SRL is doing to bring the 21st century reformation to Latin America. They have placed SRL as the main event at their 500 hundred year celebration. Please pray for traveling mercies for all SRL representatives from US and South America. May the Holy Spirit empower their messages.

Greetings in the Lord Jesus Christ, Noé S. Acosta, Ed.D. SRL International President
