## PROLIFE CONFERENCE IN MEDELLIN - PLANS TO OPEN A CARE PREGNANCY CENTER IN SRL BUILDING - HANDS AND FEET OF THE REFORMATION IN LATIN AMERICA

This September 28, Andrea Kraziese, founder and director of Sanford Crisis Pregnancy Center, will travel to Medellin to participate in a conference and workshops to motivate volunteers to open a Care Pregnancy Center in a special space at the SRL building. Besides providing valuable information from years of experience, Andrea will conduct a women's training workshop for counseling, and specific suggestions and methods for helping those in crisis. Andrea said, "She would like to help to stop the bleeding". Sadly, not only are the children killed, but also their mothers often suffer and even die as they submit to unsanitary procedures in private homes and even garages. Pastor Dr. William Heard, Pastor Dr. Sergio Ruiz M.D., Pastor Dr. Julio Benitez and Dr. Noé Acosta will also address many pastors from Latin America, encouraging them and their congregations to

reach out to those in crisis and properly respond to this tragedy. Dr. Heard is the Board president of Starkville Pregnancy Care Center and Pastor of Grace Presbyterian Church in Starkville, MS

## IN 1999, GTC FOUNDED THE FIRST SEMINARY IN BOGOTA. FOR YEARS, THERE WERE ONLY 12. TODAY, IN THE SAME PLACE, SRL SERVES MANY STUDENTS

SRL is grateful for MTW missionaries in Bogotá. In 1999, with their cooperation and with the leadership of Pastor Javier Muñoz,

GTC founded the first seminary and helped to rebuild the church facilities in Cristo Rey for that purpose. Today SRL has returned to the same building in Bogotá, again with the cooperation of MTW missionaries under the leadership of Pastor Muñoz. SRL now serves a large number of students in that city. Just this week, Professor Michael Delarm taught Church History there. The Harrells and the Winfreys, MTW servants in that city, treated him and his wife Kristine like royalty. Thank you.

SRL, a sample of modern missions, by training nationals, is producing exponential results of eternal dimensions. **TODAY** is perhaps the most important day in eternity to help in this expansion of God's Kingdom. Even here in the SRL Orlando Campus, Pastor Jack Jenkins taught the fifth module in August. Registrations are now open for the sixth module in October. SRL needs your prayers and financial help. We thank God for your contributions. Greetings in Christ,

Dr. James Bearss, SRL Chancellor
